LADIES' SINGLES MATCHES ARE STARTED

Hawaiian Title Up for Settlement on Beretania Courts. Army Represented

TODAY'S MATCHES.
2:15—Miss V. Wilder vs. Miss E. Smith.
4:00—Miss Richards vs. Miss L. Phillips.

There was some keenly interesting tennis on the Beretania courts yesterday afternoon, when the ladies' singles event of the Hawaiian championship tournament opened with eight players contesting for honors. For a week tennis fans have watched mere men slam the ball round the courts with indifferent success, scoring a clean ace one minute, and the next shot pounding the inoffensive rubber out of shape against the backstop. There has been so much of this slam-bang tennis that it was almost a relief to watch the graceful, easy strokes of the fair racket-wielders who managed to get over the courts without resembling runaway autos, as do some of the more strenuous males. The female of the species may be short on smashing and driving ability, but she is certainly there with glide shots and the conservation of energy.

The army was well represented yesterday, three of the eight players entered being from Schofield Barracks. Of these only Miss Violet Wilder remains in the running. Miss Wilder's play attracted a lot of attention, and deserves high praise. In her match with Miss L. Phillips, the Chicago player, whom she defeated in straight sets, Miss Wilder showed a variety of really daisy strokes and a service that combined considerable speed with a strong cut. She has a very accurate service, at least half of her first ones going in, and what counts more in competition, only twice in the entire match did she double fault.

Miss L. Phillips, the champion of the Astor Club of Chicago, disposed of Mrs. Gregory of Honolulu Barracks in the match being a lot closer than the score indicates. Miss Ruth Richards, a sister of Arthur Richards, the new Hawaiian champion, won a hard-fought match from Mrs. Barton, the third member of the Lathrop detachment. Miss Edna Smith showed some very good tennis in the match which she won from Miss Juliette Atherton.

Following are yesterday's results:
Miss Ruth Richards beat Mrs. Barton, 6-2, 4-1.
Miss Louise Phillips beat Mrs. Gregory, 6-2, 6-3.
Miss Edna Smith beat Miss Juliette Atherton, 6-2, 6-3.
Miss Violet Wilder beat Miss L. Phillips, 6-2, 6-4.

CHINESE PLAYERS MAKE HIT IN GOTHAM

The All-Chinese are managing to have a pretty good time on their baseball afternoons, and when they return to Honolulu it's safe to bet that the players will have a few yards to spin to their less traveled friends here. It hasn't been all wins for the team by any means, but wherever the boys have played they have made a big hit with the fans, which counts a whole lot when it comes to a publicity proposition.

Especially in the big cities have the Honolulu Chinese been popular. It wouldn't be supposed that they would make a very large splash in such a big puddle as New York, but that is just what happened, the team getting more notice in Gotham than anywhere else on the route.

The following extracts from the day-to-day diary of one of the players, forwarded by the last mail, tell of the big reception the players got in the East.

July 29—Back to little New York again, and all went about the city to renew acquaintances. Soon after 1 o'clock we caught the Bronx subway for the Bronx Oval, where we went up against the Bronx Athletics, the best semipro team in Manhattan. We won 2 to 4. Ten thousand people saw us do it, and the whole town is talking about the game. We practically own New York today.

July 30—Went to Long Branch to spend the day. This is a swell place. Caught the evening train for Asbury Park, and spent the night there. It is just jammed with people. Music and lights all over the place.

July 31—Barre, Vt.—This is the hottest day we have had yet. Just 106 in the shade. The Chinese team is the

TEAMS SET FOR HONOLULU MAUI TENNIS MAN WANTS TO PLAY NEW CHAMPION

Twelve racket-wielders representing Honolulu will join the Valley Isle on August 3, first with a tennis team representing All-Maui for the perpetual doubles challenge cup put up some years ago by the Puunene Athletic Club, now in possession of the local players.

The Honolulu-Maui is a regular annual event, for ten teams. The play is what is known as "Maui style," each match being in three sets, but the aggregate number of games won by each side counting on the grand total. The fully-played sets will leave here the thing of the day, and the matches be played off on the following day. While stronger individually, local players are under theantage of playing on turf courts very spongy turf at that.

Following are the teams that will represent each county:
Honolulu—Castle Carey, Richards and W. H. Hodge, Beckus and H. E. Gray, Greenwood, Withington, Waterhouse and Anderson and partner.

All-Maui—Meyers, Richardson, Rosecrans and Sava, Welch and Baldwin, Mellor and Mr. Lougher and Taylor, Thompson and Searby.

JOHNSON KNTS \$30,000 AGAIN

NEW YORK, July 30.—Jack Johnson, the negro heavyweight champion, announced over the distance telephone from Chicago that he was ready to sign a match with Joe Jeannette on Labor Day at Madison Square Garden, in New York, if he could get his price. The champion refused a \$20 offer.

Johnson's statement was made to Billy Gibson, manager of the Garden Athletic Club, who is going to get the big negro here as a day attraction. Johnson informed Gibson that he could easily get \$20 for fighting at most any second man, and he would not take less than the larger amount for boxing a Jeannette.

"But you'll have act quickly," Johnson shouted as he rang off, "because I would want to begin training on Monday."

Gibson informed Johnson he would confer with Jeannette's manager before reaching a decision.

MCCAREY HAS NERVE

Tom McCarey, the Los Angeles boxing promoter, has plenty of nerve, if nothing else. When Thomas read the news in the papers that both houses of Congress had passed the bill prohibiting the transportation of fight films from state to state, he realized at once that it would cut considerably into his revenue. His only hope was that the President might see fit not to sign the bill and make it a law. Therefore, pen in hand, he sat down in his sanctum and drafted an epistle to the Chief Executive of the United States in which he gave his reasons for asking that the bill be not signed. And this is the way he closed:

"I will consider it a personal favor if you will not sign the bill. Thomas J. McCarey, president, Pacific Athletic Club, Los Angeles, Cal."

Suffice it to say that no answer has been received.

DANCE SATURDAY NIGHT PROMISES BEST OF FUN

All aboard for the Myrtle Boat Club's dance this coming Saturday night. It promises to be a hummer, and all the money obtained from the sale of tickets will be thrown right back into the entertainment fund, it being the idea of the club management to promote the social side of the organization.

If the dance is as good fun as the smoker given two weeks ago, those who attend will certainly have a good time. The above picture is of the jolly crowd that attended the last smoker, in the gaily-decorated and cheerfully clubroom overlooking the harbor.

Saturday night Kaula's famous quartet will furnish the music for dancing. The decorations will be carried out for the most part with palms and flags, and many growing plants have been loaned by interested members. Tickets, at \$1, are for sale by a limited number of members, who are keeping a close watch on the outgoing pasteboards, thereby assuring a high-class attendance. Those who have tickets for sale are F. A. Becher, E. Podmore, H. Bailey, A. F. Rotter, A. T. Wisdom, R. K. Chillingworth, and L. Hough.

BOWEL COMPLAINT IN CHILDREN

Children when teething are liable to attacks of diarrhoea and this trouble, especially in warm weather, should never be neglected. The best medicine in use for ailments of this kind is Chamberlain's Colic, Cholera and Diarrhoea Remedy. When reduced with water and sweetened, it is not unpleasant, which is of great importance when giving medicine to children. For sale by all dealers. Benson, Smith & Co., agents for Hawaii.

HOW THEY STAND

There is little change in the relative standing of the leaders in the Major and Coast leagues, New York, Boston and Vernon keeping their long leads, and showing little danger of being headed. Washington has forged ahead of Philadelphia for second place, but Boston is going so fast that in spite of the gill edge half the Senators are playing, they can't catch up with the head of the procession.

As to the world's champion Athletics, Cornelius McGillicuddy, known to the baseball world as Connie Mack, is the most serious person in the national game. Connie is known for the extreme length of his countenance rather than for the breadth of his smile. Baseball is a serious problem with Connie.

He has been in the game for many years. He knows the ups and downs of the game as well as if not better than anyone else. Experience has taught him it is far more pleasant to be a winner than a loser.

At the present time Connie Mack is far from being satisfied with his team. On October 23, 1911, just after his boys had won the world's greatest baseball honors from the New York Giants, Connie smiled his satisfaction.

Since the opening of the present season the leader of the best bats in baseball has not duplicated that smile. He says there has been no reason for it, as his boys have played anything but the article of ball that beats a world's championship team.

Lately the Athletics have shown improvement in their work, and Connie is confident that his boys will come through and win their third successive American league pennant, but there will be no smile of happiness for Connie as long as the Mackmen are in third place.

M'LOUGHLIN AND BUNDY WIN DOUBLES

Are Now Challengers of Little and Touchard for National Title — Win Preliminaries at Lake Forest

(Special Star-Bulletin Cable)
LAKE FOREST, Ill., August 1.—Maurice McLaughlin and Thomas Bundy today defeated Fred and Winston of Chicago in the final round of the national doubles preliminaries.

This means that the Pacific Coast will get another chance to smash the national lawn tennis title for men's doubles. McLaughlin and Bundy, winners of the Pacific Coast doubles championship, were pitted against the Eastern, Southern and Western open-ship winners in the elimination matches at Chicago, the winners having the right to play R. D. Little and G. E. Touchard for the national title in Newport.

This is the fourth time the Pacific Coast has been represented in the preliminaries. In 1909 Maurice McLaughlin and George Jones qualified for the challenge match, but were defeated by Hackett and Alexander. The champions Thomas Bundy and Tom Hendrick, both of Los Angeles, won the preliminaries in 1910, but they too, went down to defeat before Hackett and Alexander. Last year McLaughlin and Bundy were downed in the preliminaries.
